During the absence of Miss Smith on furlough, the Girls' School at *Sapporo* was conducted by Miss Katheryn B. Light, who is to be associated with Miss Smith during the coming year, the work having outgrown the strength of one lady. The school reports a roll of 60 pupils, notwithstanding the heavy loss by marriage and removal to other places. A church, in connection with the Church of Christ, was organized during the year by a member of the Reformed Mission at Sendai. The ladies at this station have charge of three Sunday schools, with an aggregate attendance of 200 pupils. Miss Smith reports the religious interest in the city as encouraging,

meetings for prayer being well attended, and a number of girls in the school, who have not professed their faith in Christ, being deeply interested.
