

The Haute école de gestion de Genève (HEG-Genève) is part of the University of Applied Sciences and Arts Western Switzerland. Our campus is located in Geneva, Switzerland, and counts 1700 regular students. We welcome 70 to 100 international students every year.

Partners since 2013, the HEG-Genève has always had a great pleasure collaborating with Hokusei Gakuen University.

We are thankful for our colleagues from the International Education and Language Center. Ms Masako Kokusen, Ms Mariko Takahashi and Ms Kaori Kido, always so warmly welcomed our students during their exchange semesters, which were always a success.

In 2012, our colleague Ms Silvia Rebecca also received a warm welcome when attending the Hokusei Gakuen University 50<sup>th</sup> anniversary. A great experience that she will never forget.

In the past five years, we were very happy to welcome Ms Sachi Koyama, Mr Shingo Egami and Mr Ken Ito for exchange programs within our International Business Management faculty.

In a world in constant motion, we are thankful to partake in the internationalization of young Japanese and Swiss people, who share common values. Values such as work ethic, importance to build and maintain good relationships with colleagues and respect.

We are honored to call Hokusei Gakuen University a partner and are looking forward to many more years of a strong international collaboration.
